

**REMARKS**

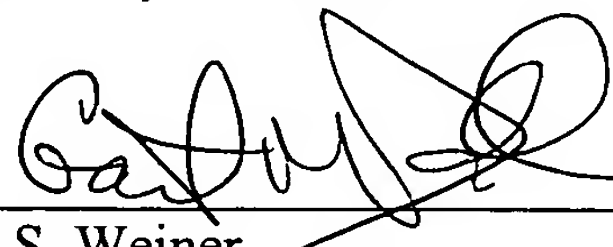

The amendment to the specification is merely to correct a translating error. It is clear from page 9, line 23 that element 41 is a "screen" and not a "mask." Accordingly no new matter has been added to the disclosure. Entry of the present amendment and favorable action on the above-identified application are earnestly solicited.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Garth M. Dahlen, Ph.D., Esq. (Reg. 43,575) at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Dated: February 15, 2006

Respectfully submitted,

By  #43575
